Fools Kol

In his new novel, *Fools*, up-and-coming author Kol explores the depths of life's greatest mysteries in the light of the experiences of young people teetering on the brink of enlightenment or self-destruction.

James, Bami and Ana, students in Savannah, Ga, grapple with the meaninglessness of existence by using their own vitriolic mixtures of intuition, rebellious foolishness and romantic desire. But the story is much more than a chronicle of their pursuit of happiness or their attempts to break away from society's restrictions. Key to the novel's firepower is the diverse angles by which it can be explored. On one layer, it is a tale of teenagers confronted with the perennial need for purpose, and on another, it is an incisive exploration of some of humankind's most enduring dilemmas--the existence of God, the essence of truth, the meaning of life, and the slow but certain decay of society's collective imagination.

Announcing the arrival of a searing and innovative voice, *Fools* is a mind-bending odyssey deep into the heart of the human condition. It is at once bleak and beautiful, unsettling and captivating, and, ultimately, the kind of exquisite literature that clings to the reader's consciousness even after the last page has been turned.

From reader reviews:

Peter Cox:

In this 21st one hundred year, people become competitive in every way. By being competitive right now, people have do something to make them survives, being in the middle of the particular crowded place and notice by simply surrounding. One thing that occasionally many people have underestimated the item for a while is reading. That's why, by reading a book your ability to survive increase then having chance to remain than other is high. For yourself who want to start reading any book, we give you this specific Fools book as nice and daily reading book. Why, because this book is greater than just a book.

Ezra Talbott:

Nowadays reading books be a little more than want or need but also become a life style. This reading behavior give you lot of advantages. Advantages you got of course the knowledge the rest of the information inside the book that improve your knowledge and information. The data you get based on what kind of reserve you read, if you want have more knowledge just go with schooling books but if you want really feel happy read one using theme for entertaining like comic or novel. Often the Fools is kind of publication which is giving the reader unstable experience.

Levi Ryan:

Is it you who having spare time in that case spend it whole day simply by watching television programs or just laying on the bed? Do you need something new? This Fools can be the solution, oh how comes? A fresh book you know. You are therefore out of date, spending your extra time by reading in this brand-new era is common not a nerd activity. So what these ebooks have than the others?

Jenna Quintana:

Reading a guide make you to get more knowledge from that. You can take knowledge and information coming from a book. Book is created or printed or illustrated from each source which filled update of news. In this modern era like at this point, many ways to get information are available for you. From media social like newspaper, magazines, science reserve, encyclopedia, reference book, book and comic. You can add your knowledge by that book. Isn't it time to spend your spare time to spread out your book? Or just searching for the Fools when you essential it?
