Preparing Literature Reviews: Qualitative and Quantitative Approaches M. Ling Pan

Shows students how to synthesize literature using both qualitative and quantitative approaches. All major steps are illustrated with numerous examples. Your students will learn both the art and science of writing effective literature reviews. New to this edition: New examples drawn from a wide variety of professional journals have been added in order to keep this title up-to-date. Also, changes have been made throughout the text to ensure consistency with the sixth edition of the Publication Manual of the American Psychological Association and the fourth edition of the American Sociological Association's Style Guide.
