Realizing the Power of Now Eckhart Tolle

Perhaps you can recall a time when you felt immensely alive-when you had a sudden recognition of beauty, a feeling of deep contentment, and a sense of connection with life greater than you had ever thought possible. And then, this fleeting moment was gone. What if you could recapture that remarkable opening, and make it a consistent way of living in the world? Throughout Europe and North America, a man named Eckhart Tolle has emerged as a teacher with the unique ability to draw us into the awakened state he calls "presence." With *Realizing the Power of Now*, you have an unparalleled opportunity to immerse yourself in the timeless dimension- "a place within us that always is and ever will be beyond the turmoil of life, a world of calm beyond words, of joy that has no opposite." Join Eckhart Tolle and discover the many simple ways to leave behind the chaos and suffering of the mind-made world and enter this state of serenity and grace. With Tolle's guidance, you will explore a space beyond the endless stream of thoughts . . . use sense perceptions and your "inner body" to find a peace that exists independent of conditions . . . see past "the little me and my story" and find your home in the "living Now." Recorded at a momentous four-day retreat led by Eckhart, here is a special invitation to transcend the finite world of fluctuating thoughts, ambitions, and fears, and touch your true essence-that which has "no form, no time, and no name"-through *Realizing the Power of Now*.
