The Fear Of Death Barry Ross

It is written in the sacred scriptures that death is the fate of all mankind. Most people live life daily in fear of dying! "The Fear Of Death" hold them in bondage their entire lifetime. Fearful of what awaits beyond the dissolution of the body, keep mankind in fear of dying, while they live! Mankind is seeking desperately to find the truth that lie in death. There have been many books written, and many movies created attempting to provide that truth. These all assume that what they present to mankind is the truth of what result after death! I have found through my studies on this vital subject, that the most common "assumption," is the "Immortal Soul Doctrine!" From a child in a Baptist church, I was taught to believe in this doctrine; but it never agreed with my spirit! With much prayer and guidance by the Holy Spirit, God took me through a intense study of the sacred scriptures; emptying my mind of what I had been taught and replacing it with what the sacred scriptures teach. I came to realize why this doctrine of the immortal soul never sat right in my spirit; and it is because it is not taught anywhere in the Holy Bible! It is merely the "assumption," of those that fear dying! God have given me the key that removes "The Fear Of death," and the truth on which that doctrine is based! Through much study in many commantaries, books and the Bible; I have come to the conclusion that the "Immortal Soul Doctrine" is the cloak of darkness that covers the ancient old lie of the ancient old serpent in the Garden In Eden, that is, the devil. This lie was first told to Adam and Eve by the serpent; "Ye will not surely die!" You know the story how God instructed them not to eat from the tree of the knowledge of good and evil or even touch it! God said: "In the day thou eat of it, ye will surely die!" The devil told them that God was a "lie!" He said it then and he is still saying it today; cloaked in the immortal soul doctrine! This concept of the supposed soul's immortality originated not from God but ancient Babylon and ancient Egypt. The doctrine that man's soul continue to exist after the body dies is "speculation," not Bible fact! It is not found in the sacred scriptures! It teaches that immediately at death of the body, the soul goes directly to "heaven" or "hell" for eternity and is based on if that soul was "saved" or "lost." Let me inject here, that heaven is certainly a reality; the Bible speak of three heavens and hell also is a reality; the Bible describes it as "the lake of fire!" The modern concept of hell, is a mixture of Bible truth, human imagination and pagan ideology originating from the mind of a Poet named "Dante Alighieri," created in his work "Divine Comedy" in the 14th century. The concept of the immortal soul came to the Jews from their contact with Greek thought and mainly taught by a Philosopher named "Plato." He was led to this belief through Orphic and Eleusinian mysteries in which the Egyptians and the Babylonians views were strangely combined! this work, "The Fear Of Death" reveal truth by the sacred scriptures and inspiration of God, exactly what happens after death; as outlined in your Bible! You will find no other book like it; It will remove the fear of dying and of death from your life, build you up in faith of God's word and will give you complete confidence in the face of death!
