**“Where was God when \_\_\_\_? How could God allow \_\_\_\_? Why?”**

These are the questions that flood our hearts and minds when the unimaginable happens. When things go horribly wrong and the world seems to be unraveling, how do you believe in God’s goodness? How do you cling to hope?

Chad Veach directs readers away from clichéd Sunday school answers that fail to offer real comfort or provide faith-building insights. Instead, he draws from God’s promises in the Bible and from the story of his own daughter’s diagnosis of a devastating and debilitating disease to reveal simple, purposeful steps for dealing with pain. Resting in God’s love, remembering his past faithfulness, and realizing the distinction between having faith and clinging to hope are just some of these steps.

Veach reminds us that because we know who God is, we know there is hope.

Veach reminds us that because we know who God is, we know there is hope.
