## **Whispered Dreams (Blood Line Book 2)** Samatha Shu

Whispered Dreams by Samantha Shu continues her successful foray of the romance action thriller field as her heroine faces tons of action, mystery and suspense. Is true love in the offering, if so, with which of her pursuers? One has love and romance on his mind, the other has murder and mayhem. Action and adventure, romance and suspense, mystery and terror keeps the plot boiling and the reader mesmerized, as Shu's heroes and heroines fight and love.

Missing students, a mysterious research study gone horribly wrong and a dark and dangerous man waiting to cover it all up under the cloak of the C.I.A. adds to the pot which is about to boil over with action amid a stormy romance. That is, if the heroine makes the right choice and if she survives.
