In Bed with Gore Vidal Tim Teeman

Gore Vidal claimed there was no such thing as “gay,” only gay sexual acts. But what was the truth about his sex life and sexuality—and how did it affect and influence his writing and public life? With *In Bed with Gore Vidal: Hustlers, Hollywood, and the Private World of an American Master*, Tim Teeman interviews many of Vidal’s closest family and friends, including Claire Bloom and Susan Sarandon, as well as surveying Vidal’s own rich personal archive, to build a rounded portrait of who this lion of American letters really was away from the page. Here, revealed for the first time, Teeman discovers the Hollywood stars Vidal slept with and the reality of his life with partner Howard Austen—and the hustlers they both enjoyed. Was Gore’s true love really a boy from prep school? Was he really, as he said, bisexual, and if so how close did he really get to marrying women, including Claire Bloom and Joanne Woodward? And if Vidal really was gay, why did he not want to say so? Did his own sex secrets underpin a legal fight with adversary William F. Buckley, still being played out after his death? Much as Vidal fought against being categorized, Teeman shows how he also proved himself to be a pugnacious advocate for gay sexual freedom in his books, articles, and high-profile media appearances. Teeman also, for the first time, vividly and movingly evokes the final, painful and tragic years of Vidal’s life, as he descended into alcoholism and dementia, his death, and the bitter, contentious legacy he has left behind.

All of us recommend that straight away because this book has good vocabulary that can increase your knowledge in vocab, easy to understand, bit entertaining however delivering the information. The author giving his/her effort to get every word into pleasure arrangement in writing In Bed with Gore Vidal yet doesn't forget the main point, giving the reader the hottest along with based confirm resource facts that maybe you can be certainly one of it. This great information can drawn you into new stage of crucial contemplating.

Bessie Starns:

As a college student exactly feel bored to reading. If their teacher asked them to go to the library as well as to make summary for some reserve, they are complained. Just small students that has reading's internal or real their interest. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that examining is not important, boring along with can't see colorful photos on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this In Bed with Gore Vidal can make you really feel more interested to read.
