**Leashed [Shifter Sanctuary 1] (Siren Publishing Menage Amour) Scarlet Day**

[Menage Amour: Erotic Paranormal Consensual BDSM Menage a Trois Romance, M/F/M, shape-shifters, flogging, sex toys, HEA] Laci Dalton has never been tamed by man or beast and has no intention of rolling over any time soon. But her lioness is demanding a mate and creating havoc. When her brother tries to chain her to his second-in-command, Laci bolts for freedom. Shifter Sanctuary is an exclusive retreat, but it's also home to a BDSM club where shifters walk on the wild side. The resort's lion-shifter owners, Tucker Steele and Colt Parker, don't tolerate bad attitudes or trespassing hunters. If the furry and feathered want to play at Sanctuary, they play by the rules or don't play at all. And for Tucker and Colt, their number one self-imposed rule is to never get involved with employees. When Laci takes a job as a bartender at the resort, Tucker and Colt are tempted to break their own rules. If they can keep unattached males from stealing their newest employee, they might be the two shifters who can finally put a leash on this runaway she-cat. \*\* A Siren Erotic Romance
