This book was created to help get across some common toddler behavioral issues like nose picking, sharing and chewing on stuff. Please Don't Eat your Boogers is a tongue in cheek rhyming book with funny lessons and amusing illustrations that you and your child will laugh at and enjoy.

8/13/11 a new edition was uploaded in response to format issues and concerns about punctuation. I would like to thank everyone for their input below. I have taken it to heart and made several changes. Hopefully I have published the best edition of Please Don't Eat Your Boogers that I possibly can.
