The Cave Man Xiaoda Xiao

"When it comes to prison literature, China remains a great enigma. Whereas the Soviet Union gave us Alexander Solzhenitsyn, China has, of yet, produced no such comparable international voice in the modern age. Xiao's *The Cave Man* is... a small start... a compelling look at Mao's forced labor prisons." -Los Angeles Times

"Like Kafka's fiction. Xiaoda's storytelling has plenty of antic vigor... fueled by an activist's anger." - Washington Post

"As a parable of modern China, [*The Cave Man*] is chilling." -Boston Globe

"Xiao, a survivor of Mao's forced labor camps, has, like Solzhenitsyn, transformed his experience into sublimely vivid fiction. Like Kafka, Xiao has made memorable the mad, surreal conditions of the world he conjures up for us—its potential both for cruelty and for kindness. And like Chekhov, Xiao, a masterful storyteller, has given us a gorgeously crafted, hauntingly memorable tale rich in story and in human character. *The Cave Man* will have a transformative effect on all those fortunate enough to read it."—Jay Neugeboren, *Bookforum*

The Cave Man is an exceptionally moving portrait of a brutalized man named Ja Feng, who has survived punishment in a 3 x 4½ foot solitary cell for a miraculous nine months, a time that has forced him to question his basic human faculties.

The Cave Man follows Feng as he is released from his solitary confinement and as he integrates with fellow prisoners who view his skeletal figure and screaming fits as freakish. It follows him through his heartbreaking attempts to assimilate, to reestablish familial bonds, and to seek an ordinary human experience.

From reader reviews:

David Tillery:

As people who live in typically the modest era should be revise about what going on or details even knowledge to make these keep up with the era which is always change and make progress. Some of you maybe will probably update themselves by reading through books. It is a good choice in your case but the problems coming to an individual is you don't know what type you should start with. This The Cave Man is our recommendation to cause you to keep up with the world. Why, as this book serves what you want and need in this era.

Sally Staten:

Information is provisions for those to get better life, information currently can get by anyone with everywhere. The information can be a understanding or any news even restricted. What people must be consider any time those information which is from the former life are challenging to be find than now's taking seriously which one is suitable to believe or which one the particular resource are convinced. If you receive the unstable resource then you have it as your main information we will see huge disadvantage for you. All of those possibilities will not happen throughout you if you take The Cave Man as your daily resource information.

Rosalva Nichols:

This The Cave Man is great publication for you because the content that is certainly full of information for you who else always deal with world and possess to make decision every minute. This kind of book reveal it details accurately using great arrange word or we can claim no rambling sentences inside. So if you are read the idea hurriedly you can have whole facts in it. Doesn't mean it only gives you straight forward sentences but challenging core information with beautiful delivering sentences. Having The Cave Man in your hand like finding the world in your arm, details in it is not ridiculous just one. We can say that no reserve that offer you world in ten or fifteen second right but this publication already do that. So , it is good reading book. Hey Mr. and Mrs. active do you still doubt which?

Dave Edwards:

Don't be worry should you be afraid that this book will probably filled the space in your house, you may have it in e-book means, more simple and reachable. That The Cave Man can give you a lot of good friends because by you looking at this one book you have factor that they don't and make a person more like an interesting person. That book can be one of one step for you to get success. This book offer you information that might be your friend doesn't realize, by knowing more than additional make you to be great persons. So , why hesitate? Let us have The Cave Man.
