The Parent Problem (The Mortifying Life of Skye Green) Anna Wilson

Skye Green's mum is driving her insane! When she's not posting EMBARRASSING pictures of Skye online or experimenting with BIZARRE clothing, she's forever taking up new hobbies - and her latest obsession is ballroom dancing! It's only a matter of time until she waltzes down the street in spandex and sequins - and to make matters worse, Skye's younger brother is wildly (and irritatingly) enthusiastic about Mum's new hobby, *and* about wearing Mum's sparkly new outfits!

As if this wasn't HORRIFIC enough, Skye's mum has also enlisted the new neighbour's son to come and 'babysit' when she's at dance class, and he's only a year older than Skye! Talk about MORTIFYING in the EXTREME! At least Skye's best friend, Aubrey is there to help Skye cope with her family's madness. They've been friends since before they can remember, and nothing will ever, EVER change that . . . right?
