Alma Harper and her friends are lost in Widowsfield. They're trapped in a lie created by The Skeleton Man, and even death provides no escape. As they struggle to discover the truth about the once sleepy town, a new evil emerges: The Watcher in the Walls. As the lies are exposed, the liars are revealed, and the only way out of the maze is to fall into the lies and disappear. As Alma struggles to find a way out of Widowsfield, a new character comes to town. Her name is Nia, and she is a gifted young woman that can pull memories out of the world around her. Of course, the true memories of Widowsfield are lost behind the lies. As she gets closer to the truth, others will attempt to exploit her gift. All the while, The Skeleton Man plans his escape. What if he gets out?
