Edit and apply effects for stellar visual and special effects

This important resource is like having a personal instructor guiding you through each lesson, while you work at your own pace. Each self-paced lesson lets you discover essential skills and explore the new features and capabilities of Adobe After Effects CC (Creative Cloud). Every lesson is presented in full color with step-by-step instructions. Video tutorials and lesson files on a companion DVD were developed by the same team of professional instructors and After Effects experts who have created many of the official training titles for Adobe Systems.

Combines a full-color, step-by-step instructional book along with lesson files and video training from expert instructors

- Written for After Effects CC, a leading motion graphics and visual effects program that allows users to create and deliver compelling motion graphics and visual effects
- Demonstrates how to quickly get up to speed using After Effects to create and animate text, images, and video for the web, TV, and digital displays
- After Effects CC Digital Classroom takes you from the basics through intermediate-level topics, teaching you this complex software in a clear, approachable manner.

DVD and other supplementary materials are not included as part of the e-book file, but are available for download after purchase.
