Introducing Cultural Anthropology

Roberta Edwards Lenkeit, Roberta Lenkeit

Introducing Cultural Anthropology Roberta Edwards Lenkeit, Roberta Lenkeit

This approachable introduction to cultural anthropology invites students to explore anthropology's relevance to their own lives, through stories, examples, and new, unique chapter-opening vignettes. The brief format and rich visual program allow professors to assign outside reading without sacrificing visual appeal in a concise text. A relaxed writing style complements a text that is well organized and academically solid. In addition, unique pedagogy asks students to think critically and apply concepts, perspectives, and methods.
