## **New Maladies of the Soul** Julia Kristeva

These days, who still has a soul? asks Julia Kristeva in her psychoanalytic exploration, *New Maladies of the Soul*. Hailed by Peter Brooks in the *New York Times* as "a critic of great psychoanalytic insight," Kristeva reveals to readers a new kind of patient, symptomatic of an age of political upheaval, mass-mediated culture, and the dramatic overhaul of familial and sexual mores. The book poses a troubling question about the human subject in the West today: Is the psychic space that we have traditionally known disappearing?
