The Prayers of Ephesians Dr. E. W. Bullinger

One of history's greatest Biblical scholars, E. W. Bullinger proved through the internal evidence of the Scriptures the inerrant accuracy of God's Word. While Bullinger's major reference works continue to be widely studied, most people are unfamiliar with the bulk of his publications. *The Prayers of Ephesians* is an exposition on the two prayers and benediction found in the Epistle to the Ephesians. Those Divine prayers reveal great truths concerning the believer's relationship to Christ and the Great Mystery. As Bullinger examines the prayers word-by-word, the reader learns that these are not the believer's prayers to God, but rather His prayers for us. They tell us what God accomplished for the believer through the work of Jesus Christ. And as those prayers become living and real in a Christian's life, they realize the greatness of His power and the fullness of His love.
