A Milfy adventure...

Young Tim Dray is more than happy in his world of books and high adventure stories to care for the world of the living around him. He'd much prefer burying his face into a thick book than have anything to do with the pretty young girls on campus.

But when he finds himself in the private room of a hospital after being hit by a car, his world turns upside down. Night Nurse Edna takes more than just good care of him, and day Nurse Lorna goes one up on her, opening up a brave new world for Tim, so much so, that he never wishes to leave.
