Frequency graphs help display the impact this book has had on popular culture since its original date of publication. Use Trajectory analytics to deepen comprehension, to provide a focus for discussions and writing assignments, and to engage new readers with some of the greatest stories ever told.

Dead Souls is a novel by Nikolai Gogol, first published in 1842, and is widely regarded as an exemplar of 19th-century Russian literature. The purpose of the novel was to demonstrate the flaws and faults of the Russian mentality and character. Gogol masterfully portrayed those defects through Chichikov and the people who he encounters in his endeavours. These people are typical of the Russian middle-class of the time. Gogol himself saw it as an "epic poem in prose", and within the book as a "novel in verse". Despite supposedly completing the trilogy's second part, Gogol destroyed it shortly before his death. Although the novel ends in mid-sentence, it is usually regarded as complete in the extant form.
