Holy Bible Wide Margin Center-Column Reference Edition (Nkjv) Thomas Nelson

The *NKJV Wide Margin Reference Bible*. This Bible provides ample room for note-taking right in the margins. Printed on heavy paper to lessen "show-through" from ink or pencil inscriptions, each page has a wide margin completely surrounding the text. Center-column references and translation notes open doors to in-depth Bible study, and additional study helps include introductions to all the books of the Bible, a harmony of the Gospels, full-color maps, and a 66-page concordance. The beautiful bonded leather cover comes in black and burgundy, with gilded page edges and a gift box. A super value for those who want a good wide margin reference Bible in a modern translation.
