The Blue And White Road: A Path to A Fulfilling Jewish Life Rabbi Michael C Simon

Drawing on traditional sources as well as his vast experience in the Jewish world, Rabbi Michael Simon's "The Blue and White Road: A Path for a Fulfilling Jewish Life," presents a compelling vision of Judaism and its continued importance in our lives. Covering a wide range of topics and issues of concern today, such as Jewish Identity, God, Heritage and Tradition, Ethics and Values, Community and Civility, and Education, Rabbi Simon engages the reader as if he or she were having a personal conversation with the author while providing inspiration, direction and comfort for anyone seeking to understand what Judaism is all about and what it has to offer. This book raises questions, offers answers, but most of all encourages and guides the reader to seek his or her own path towards making Judaism a more meaningful and fulfilling part of one's life. In the words of noted historian David Dalin, "The Blue and White Road should be read by anyone who wishes to better understand our rich tradition and its continuing relevance for Jews and Jewish life today."
