Like the frosting on the cupcake, or the tiara on the bride, a beautiful border is the finishing touch for a lovingly created afghan, whether knitted or crocheted. Borders can be elegant or whimsical, can match or contrast with the afghan, and can lift even the simplest afghan from "ordinary" into the "very special" category. If you usually depend upon fringe as an accent, you'll have fun experimenting with these 50 crochet borders by Jean Leinhauser. The borders can be worked with any weight of yarn that works well with the body of the afghan. For some designs, the number of colors used in a border also can be varied. General instructions are included for how to use the borders, work with stitch pattern multiples, and estimate yarn amounts.
