at \$4.99. Read on your PC, Mac, smart phone, tablet or Kindle device.

This book contains proven steps and strategies to help you cope with the challenges and difficulties posed by experiencing the loss of someone special in your life. It also details ways to assist you in coping with the consequent grief that comes with such a loss.

Death is an inevitable part of life. But although there is a universal acknowledgment of the fact that we are only living temporal lives, the idea of having to endure the death of someone we love is something that we think of with dread and fear in equal measure. These feelings become more poignant when we have to deal with an actual death. The roller coaster of intense emotions, the surge of profound grief, and the difficult process of coming to terms with a new reality create a situation that negates understanding, patience, love, and support from others.

There is virtue in talking openly about death. Among others, the act allows us to face our fears. It also provides us a great opportunity to appreciate our own mortality and create ways to make the most out of it, including building solid relationships with the people we cherish and hold dear. Similar to giving birth, death is an inescapable part of living. Dealing with its inevitability is something that we sadly have to learn.

Here Is A Preview Of What You'll Learn...

- Understanding the Fleeting Nature of Life
- Experiencing Loss and Coping with Grief
- Highlighting the Risks of Depression and Complicated Grief
- Helping Others Deal with Death
- Strengthening Connections and Making the Most Out of the Present
- And Much, much more!
