Parent, if you have a young son and you want him to grow up to be a man, then you need to keep him away from pop culture, public school and a lot of Nancy Boy churches. If metrosexual pop culture, feminized public schools and the effeminate branches of evanjellyalism lay their sissy hands on him, you can kiss his masculinity good-bye because they will morph him into a dandy. Yeah, mom and dad, if – if – you dare to raise your boy as a classic boy in this castrated epoch, then you've got a task that's more difficult than getting a drunk to hit the urinal at Chili's. Read this bold and hard-hitting guide by Doug Giles, the politically incorrect master, on how to raise your son in a world which more and more seems to hate masculinity.
