Space Dumplins Craig Thompson

Highly acclaimed graphic novelist Craig Thompson's debut book for young readers about a plucky heroine on a mission to save her dad.

For Violet Marlocke, family is the most important thing in the whole galaxy. So when her father goes missing while on a hazardous job, she can't just sit around and do nothing. To get him back, Violet throws caution to the stars and sets out with a group of misfit friends on a quest to find him. But space is vast and dangerous, and she soon discovers that her dad is in big, BIG trouble. With her father's life on the line, nothing is going to stop Violet from trying to rescue him and keep her family together.

Visionary graphic novel creator Craig Thompson brings all of his wit, warmth, and humor to create a brilliantly drawn story for all ages. Set in a distant yet familiar future, *Space Dumplins* weaves themes of family, friendship, and loyalty into a grand space adventure filled with quirky aliens, awesome spaceships, and sharp commentary on our environmentally challenged world.

From reader reviews:

Theodore May:

Throughout other case, little individuals like to read book Space Dumplins. You can choose the best book if you like reading a book. As long as we know about how is important a new book Space Dumplins. You can add expertise and of course you can around the world by a book. Absolutely right, mainly because from book you can understand everything! From your country until foreign or abroad you will find yourself known. About simple matter until wonderful thing you are able to know that. In this era, we are able to open a book as well as searching by internet product. It is called e-book. You can use it when you feel bored stiff to go to the library. Let's go through.

Jenny Dill:

Information is provisions for individuals to get better life, information presently can get by anyone at everywhere. The information can be a knowledge or any news even a problem. What people must be consider if those information which is from the former life are difficult to be find than now could be taking seriously which one would work to believe or which one the resource are convinced. If you receive the unstable resource then you buy it as your main information you will see huge disadvantage for you. All those possibilities will not happen throughout you if you take Space Dumplins as the daily resource information.

Floyd Lipp:

In this time globalization it is important to someone to find information. The information will make a professional understand the condition of the world. The condition of the world makes the information much easier to share. You can find a lot of personal references to get information example: internet, newspapers, book, and soon. You can observe that now, a lot of publisher this print many kinds of book. The book that recommended to you is Space Dumplins this book consist a lot of the information on the condition of this world now. This book was represented how does the world has grown up. The vocabulary styles that writer require to explain it is easy to understand. The actual writer made some research when he makes this book. That's why this book suited all of you.

Rachel Kaufman:

That guide can make you to feel relax. This book Space Dumplins was bright colored and of course has pictures on there. As we know that book Space Dumplins has many kinds or style. Start from kids until youngsters. For example Naruto or Investigator Conan you can read and believe that you are the character on there. Therefore , not at all of book are make you bored, any it can make you feel happy, fun and rest. Try to choose the best book in your case and try to like reading that will.
