Concealed Victoria Michaels

Life has been complicated for Sydney Ross. Desperate for a new start, she leaves home but, during her travels, witnesses something that will forever alter the path of her life. On the run for the last six years, Sydney finds herself living the life of a nomad until she one day stumbles into a small town and hopes she's finally found a place to put down roots. With a good job in a local diner and, for the first time ever, friends who feel like family, things start looking up for Sydney. The biggest shock of all is catching the eye of the town's most eligible bachelor, the sexy sheriff, Wade Jenkins. Sparks fly between them, and it's not long before Sydney believes Elton, Missouri could be the home she's always wished for. But Sydney's past and her secrets have a way of catching up with her. When a brutal murder shakes the small town, Sydney is terrified that the countdown has begun on her time in Elton. Have the shadows from her past found her again? The people who mean the most want her to stay, but that would put everyone, including her daughter, at risk. Can Sydney put her faith in Wade or will she keep running from a danger that even she doesn't fully understand?
