Dream Thieves: Overcoming Obstacles To Fulfill Your Destiny Rick Renner

Doubt, fear, and time can claw away at your confidence, stealing the dream God placed in your heart. Unexpected obstacles, with about-face twists and turns, can bump you so far off your expected path that you begin to question the validity of that dream. You may even be tempted to give up hope that you can ever become the person you see when you close your eyes.

But if you yield to the pressure of these dream thieves to abandon your dream, you will forfeit your unique destiny. Furthermore, you will rob yourself of the fulfillment that only your destiny can bring. Every Dream Is Targeted by a Thief - Are You on Guard?

In his revised and updated classic, *Dream Thieves*, Rick Renner exposes the thieves that come to oppose and rob every single dream - no matter how big or how small that dream may be. Rick also reveals the strategies that every person with a dream must adopt to ensure the fulfillment of his or her dream.

Rick explains that every God-given dream has a significant purpose, leading ultimately to a specific destination. That's why dream thieves show up early and repeatedly along your journey to shift your focus from opportunities to obstacles. Their goal is to overwhelm and intimidate you until you're either immobilized and stuck or moving in a direction that's ineffective. These thieves will challenge your call, doubt your dream, and question your capacity to deliver on the vision that consumes you - until eventually the fire in your heart flickers and fades away.

Obstacles Can Become the Catalyst To Reach Your Goal! But when you understand the significance of the journey toward your dream, you'll discover that a hindrance can actually further your progress. When you know how to respond to the dream thieves that oppose you - to refute instead of run from them - they can actually provide a service to help you become the person you need to be in order to fulfill your destiny.

You can - you must - fulfill your unique purpose in life by walking in your God-ordained calling. Too many abandoned dreams litter the road of life. Don't let your dream be one of them.
