Rules of Civility: A Novel Amor Towles

The New York Times bestselling novel that "enchants on first reading and only improves on the second" (*The Philadelphia Inquirer*)

Coming this fall, *A Gentleman in Moscow* – the highly anticipated new novel from Amor Towles

This sophisticated and entertaining first novel presents the story of a young woman whose life is on the brink of transformation. On the last night of 1937, twenty-five-year-old Katey Kontent is in a second-rate Greenwich Village jazz bar when Tinker Grey, a handsome banker, happens to sit down at the neighboring table. This chance encounter and its startling consequences propel Katey on a year-long journey into the upper echelons of New York society—where she will have little to rely upon other than a bracing wit and her own brand of cool nerve. With its sparkling depiction of New York's social strata, its intricate imagery and themes, and its immensely appealing characters, *Rules of Civility* won the hearts of readers and critics alike.
