**From "The World of Us":**

*Don't go around all day  
thinking about life—  
doing so will raise a barrier  
between you and its instants.  
You need those instants  
so you can be in them,  
and I need you to be in them with me  
for I think the world of us  
and the mysterious barricades  
that make it possible.*
