Today, humanity is caught up in the mad complexity of the mind and there is an urgent need to rediscover simplicity and innocence. Here, the contemporary mystic Osho brings to life the inherent and timeless wisdom of traditional Zen stories, showing that Zen is a way of dissolving philosophical problems, not of solving them — a way of getting rid of philosophy, because philosophy is a sort of neurosis. Zen is for those intelligent enough to understand the limitations of the intellect and ready to recognize the significance of intuition in the world of mysticism.
