Becoming Like God: Kabbalah and Our Ultimate Destiny Michael Berg

In his continuing work to demystify and teach the ancient, esoteric texts of Kabbalah, Michael Berg suggests that the time is right for people to break free of "ego nature" and achieve total joy and immortality: in other words, to "become like God." Advising ruthless honesty about human life — its pain, suffering, and death — and then providing an escape plan based on those truths, Berg uses the tools of Kabbalah — such as the Zohar, the key text of the discipline — as well as the collective energy of all the individuals sharing this path to help form that critical mass that will allow everyone to realize their true, joyous nature. *Becoming Like God* gives readers the methodology to be applied at every moment to destroy ego, begin transformative sharing, and create a path to realize their true, godlike nature.
