Finding our Way through the Dark

Demetra George

Finding our Way through the Dark Demetra George

Finding Our Way Through the Dark presents an astrological lunar-based model to explore the periodic dark and difficult times in our life as rites of passage leading to renewal. It offers a new vision of darkness as a place of insight, healing and regeneration. Each section is accompanied by a workbook and journal so that you can discover when these periods of transition occur in your own life, illuminating the hidden motifs that shape your experiences. This book explains and reframes the astrological factors that facilitate your life journey from endings to new beginnings. Demetra George, M.A. Classics, received the 2002 Regulus Award for Theory and Understanding. A practitioner of astrology for more than 35 years specializing in archetypal mythology and ancient astrology, she is the author of numerous books and articles, including *Astrology For Yourself*, *Asteroid Goddesses*, *Mysteries of the Dark Moon*, and *Astrology and the Authentic Self*. She lives in Oregon, lectures internationally, and leads pilgrimages to the sacred sites in the Mediterranean and India with Ancient Oracle Tours. Director of Thema: Foundations in Astrology, she mentors private students in Hellenistic astrology, modern chart delineation, and asteroids.
