## **Hope Girl** Wendy Dunham

With the discovery of her birth father, 12-year-old River has definite thoughts about how her life should turn out—and that certainly does not include any of the challenges that keep popping up!

It's not easy to decide if she should live with Gram, who has been her family for the past ten years, or with her father, who she's over-the-moon to have just met but knows little about. And when River is diagnosed with a condition that could impact her hopes and dreams and future, she feels overwhelmed and bewildered. That's when River asks God for help and decides to trust him with her dreams.

As this tender-sweet story unfolds, River learns to persevere and stay hopeful that soon she will be part of a real family. Yes, her dream does come true...but not in the way she had planned!
