**Jesuita Conversaciones con el Cardenal Jorge Bergoglio, Sj** Sergio Rubín & Francesca Ambrogetti

Pese a que conocer el desarrollo de una eleccion papal no es una tarea facil porque esta rodeada de un gran secreto la prensa especializada coincidio en que el argentino Jorge Bergoglio fue el cardenal mas votado despues de Joseph Ratzinger en la eleccion que consagro al purpurado aleman como Benedicto XVI. Nunca antes un latinoamericano habia cosechado tanta cantidad de votos en un conclave y constituido en una figura tan descollante de la Iglesia catolica en la region y en el mundo. Sin embargo aspectos de su personalidad y aun de su pensamiento son en buena medida desconocidos por la sociedad. Hasta podria decirse que su figura esta rodeada de cierto halito de misterio. En base a una serie de charlas mantenidas con el a lo largo de dos anos dos periodistas de larga trayectoria y conocimiento en los temas religiosos procuran desentranar su pensamiento no solo acerca de cuestiones religiosas sino tambien sobre aquellas vinculadas al devenir de un pais y un mundo turbulentos. Y conocer sus sentimientos y preferencias. De un modo agil y ameno el libro muestra quien es este jesuita de vida casi monacal y bajo perfil pero proximo a la gente que estuvo cerca de ser Papa.
