*When a newspaperman is murdered in the Amish community of Stone Mill, Pennsylvania, Rachel Mast digs up the dirt to find out who wanted to bury the lead...*

Although she left her Old Order Amish ways in her youth, Rachel discovered corporate life in the English world to be complicated and unfulfilling. Having returned to Stone Mill, she's happy to be running her own B&B. But she's also learning—in more ways than one—that the past is not always so easily left behind.

After local newspaperman Bill Billingsly is found gagged and tied to his front porch, left to freeze overnight in a snowstorm, Detective Evan Parks—Rachel's beau—uncovers a file of scandalous information Billingsly intended to publish, including a record of Rachel pleading no contest to charges of corporate misconduct. Though Evan is certain of her innocence, it's up to Rachel to find the real killer. A closer examination of the victim's unpublished report leads Rachel to believe the Amish community is far from sinless. But if she's not careful her obituary might be the next to appear in print...
