## **How to Beat the Casinos in Blackjack**

**You are just one click away from gaining all the knowledge you need to win Blackjack**

**In this book you will learn how to:**

Gain a long term statistical edge in blackjack without counting cards.

A simple comprehensive guide to Beating the game of blackjack ( 21 ), this book is a straight forward no count approach to winning. After counting cards successfully for years the author began experimenting and modifying different betting methods, originally to camouflage his card counting. He built on these methods gradually through trial and error, and eventually stumbled on a method that to his amazement, seemed too good to be true. After playing many thousands of hands in the casino and carefully logging his sessions, he came to realize that this method was consistently beating the house, without counting cards.

## **How To Win Blackjack**

**This book will show you how to systematically beat the casinos by teaching you a cohesive method which incorporates the following elements into a simple integrated strategy:**

- Modified Basic Strategy
- Table Analysis
- Betting Strategy
- Lockwin Application
- Exit Strategy

The no count method that the author imparts in this book, if followed diligently and with discipline, will help you turn the tables on the house. This breakthrough form of advantage playing developed by Joshua Simon over a period of many years is totally unique and unlike any method ever disclosed. By following the simple

guidelines in this book, it is possible to consistently beat the casino, and come out on top, even with no counting whatsoever. This is a complete blackjack strategy within itself. By following the straightforward protocols outlined in this book the player can wind up a long term winner.

This book is the precursor to becoming a true advantage player, and mastering the techniques outlined in this book, are the first, and potentially the final step to winning long term in blackjack ( 21 ) without counting cards. But, with that said, this book stands by itself, and the information in this book contains everything you need to beat the house consistently and on a regular basis. Joshua wrote this book because he wanted to share his experience with others, so that they can take on the house and win the way he has.
