Organic Antibiotics And Antivirals: Use Natural Herbal Remedies To Prevent And Cure Common Ailments

Limited Time Offer! Ever wondered how our ancestors survived common illnesses and many serious medical conditions when there was no modern medicine? Didn't you feel better when your grandma offered a cup of her special "no flu" tea when you were ill? Have you ever used herbal teas for relief from common cold or flu? Herbal antibiotics and antivirals are undoubtedly one of the most effective remedies for a number of common ailments. And the best part is that herbal remedies are chemical-free and don't have serious side-effects like over-the-counter medications. I have spent a big part of my life consuming over-the-counter medicines, which is why I became heavily dependent on pharmaceutical drugs for my health problems. It was some time ago, when I realized that these medicines were only providing temporary relief and are not a permanent solution for my ailments. I then did some research, after which I started including herbs into my life. But it was during my recent trip to Asia that I came to know about the amazing benefits and uses of herbs. I was amazed to see how people in different parts of the world use herbal remedies to treat many illnesses. This book will help you understand the importance of herbal remedies and how anyone can use herbs to cure their illnesses without dangerous side-effects.
