#### Poems About Life, Love, The Inner Being and Self Jeanetta Richardson

Poems about Life, Love the Inner Being and Self are thoughts of self-expression and explorations made on my life-long journey. Reflections on people and events that have influenced my perspective are shared. A range of topics relating to identity, belief and love in various forms are touched upon. Pain resulting from loss to the strength that comes from faith guides me to live everyday in a sometimes-uncertain modern society. Bonds made and broken are pondered. Not only does this book mark my journey, but is meant to also enlighten and provoke thought for the reader who may be following a similar path.
