Children are fantastic! They always captivate and surprise us with their great words of wisdom, their wonderful imaginations and all the great things that they do, just some of which have been captured in this excellent collection of poems. 'Raps and Rhymes about Primary School Times: A Children's Poetry Anthology' is cleverly written through the eyes of both children and teachers and it captures, brilliantly, the learning, the fun and the stories that take place in primary schools every day. The poems are rhythmic, bouncy and entertaining and contain an excellent balance of humour, empathy and pathos. The anthology includes raps, narrative poems, limericks, riddles and rhyming tales which provide a rich and humorous insight into school life. This Children's Poetry Anthology is a must for every classroom - for both children and teachers alike - and a must for every household with children, young and old!
