A Navy SEAL must fight kidnapers and his feelings for a woman from his past... Zane Alexander was born with a silver spoon in his mouth, but the rebellious bad boy traded it, along with his share of the family fortune, for a Navy SEAL trident and freedom from his controlling father. Ten years later, Zane's teammates are depending on him to secure the startup capital they need to open their security company and he's gambling on his skills at covert operations to get it. For a million dollars he'll fake interest in Missy Greenwood, the senator's daughter his father wants him to date in exchange for the investment. When Missy is kidnapped and Zane and his team are sent to Nigeria to rescue her, there's no more faking when the danger and the emotions turn very real.
