The Devil's Playground (Faraway) (Volume 1) Eliza Freed

Former U.S. Attorney, Meredith Walsh, took some time off to raise her children. But the time took away everything she once trusted about herself. She's lost within the mundane confines of her children's schedules of lacrosse, soccer, Cub Scouts, and math facts. Desperate for a sliver of her former passion, and isolated in the small town her corporate husband relocated her to, she counsels herself on risking her family for the rush of a fling.

But Vincent Pratt, the local chief of police, weakens Meredith's abhorrence of affairs and her dedication to her family. With him, she finds a new version of herself, one capable of contributing in her new world, and thriving in her lonely home. In spite of the fact, she's not the kind of woman who has an affair.
