Bless the Bride (Molly Murphy Mysteries) Rhys Bowen

Award-winning author Rhys Bowen marries charming storytelling with an edge-of-your-seat mystery set in early twentieth-century New York City in ***BLESS THE BRIDE***

With Molly Murphy's wedding to NYPD Captain Daniel Sullivan quickly approaching, the Irish P.I. heads to the Westchester County countryside, where Daniel's mother can counsel her on a bride's proper place. Surprisingly, Molly seems to be agreeing with her future mother-in-law's advice. Molly promises to leave her detective work behind and settle down after becoming Daniel's wife...but she isn't married yet. So when she gets word of a possible case, Molly sneaks back into the city to squeeze in a little more sleuthing before the wedding bells can ring.

A wealthy Chinese immigrant wants Molly to find his missing bride. Molly has a hunch that his intended has run off. But where could she have gone--and where would she be? The only Chinese women of the era are kept under house arrest, and Molly can't help but wonder whether she's saving the bride-to-be from the streets...or helping to lock her away for good.
