The APIC/JCR Infection Prevention and Control Workbook, Second Edition (APIC/JCAHO Inf Control) Joint Commission

This updated version of a JCR best-seller, developed in partnership with the Association for Professionals in Infection Control and Epidemiology (APIC), addresses infection prevention and control in all types of health care settings. The book discusses and clarifies Joint Commission requirements for infection control and offers a wealth of tools for organizations to assess and improve their infection control activities. Edited by infection prevention and control experts Barbara Moore Soule and Kathleen Meehan Arias, and written by a host of practitioners, the workbook format encourages organizations to develop action plans to address infection control issues found in the self-assessment.
