Voyage of the Storm

Bart Davis

Voyage of the Storm Bart Davis

A vintage attack sub rises from the grave to torpedo a deadly terrorist plot! Admiral Peter MacKenzie has stood at the helm of the most advanced submarines in the world - the U.S. Navy's nuclear-powered lords of the sea. Now, when Hawaii and America's Pacific coast are at risk, he has but one vessel under his command: the H.M.S. Storm, a World War II sub salvaged from the bottom of the sea. The Joint Chiefs of Staff in Washington have assigned Admiral MacKenzie to oversee the transfer of a shipment of plutonium from Russia to Japan. But fanatic Japanese terrorists have hijacked the deadly cargo in mid-ocean. Isolated on a South Seas island, MacKenzie and a small band of survivors are determined to raise the Storm and sink the terrorists before they unleash a ring of deadly fire. Success could come at a terrible price: The terrorists have taken hostages, among them Peter MacKenzie's CIA agent wife, bearing their unborn child. The Storm is underway - and it's a voyage into hell.

From reader reviews:

Shirley Kistner:

As people who live in the modest era should be upgrade about what going on or facts even knowledge to make these keep up with the era which is always change and advance. Some of you maybe will update themselves by studying books. It is a good choice for you but the problems coming to you is you don't know what type you should start with. This Voyage of the Storm is our recommendation to make you keep up with the world. Why, because this book serves what you want and wish in this era.

Lorena Repass:

Do you among people who can't read pleasurable if the sentence chained in the straightway, hold on guys that aren't like that. This Voyage of the Storm book is readable through you who hate those straight word style. You will find the information here are arrange for enjoyable looking at experience without leaving also decrease the knowledge that want to deliver to you. The writer regarding Voyage of the Storm content conveys thinking easily to understand by most people. The printed and e-book are not different in the articles but it just different such as it. So , do you even now thinking Voyage of the Storm is not loveable to be your top collection reading book?

Tammy Jones:

Are you kind of occupied person, only have 10 as well as 15 minute in your day time to upgrading your mind ability or thinking skill also analytical thinking? Then you are experiencing problem with the book when compared with can satisfy your small amount of time to read it because all this time you only find reserve that need more time to be examine. Voyage of the Storm can be your answer as it can be read by you who have those short spare time problems.

Brandy Brobst:

As a university student exactly feel bored for you to reading. If their teacher expected them to go to the library or to make summary for some e-book, they are complained. Just little students that has reading's soul or real their hobby. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that reading is not important, boring and also can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Voyage of the Storm can make you really feel more interested to read.
