## **Ann Demeulemeester** Ann Demeulemeester

The first and highly personal perspective into the work and processes of Ann Demeulemeester, one of the most influential and inspiring fashion designers of our time. Graduating from Antwerp's Royal Academy of Fine Arts in 1981, Ann Demeulemeester (and her contemporaries in the Antwerp Six) transformed global fashion with an aggressive restatement of traditional fashion design and a polemical approach to luxury trends. Influenced by punk, she founded her label in 1985 and imbues her designs with a strong narrative and rebellious spirit. For Demeulemeester, fashion is a form of communication. Her complex language of contrasts covers a whole gamut of emotions. The tension is highly poetic, and her clothes reveal many layers of soul. Known for her elegant tailoring and dark yet glamorous aesthetic, she created a serene and darkly romantic world with an intriguing mix of edgy rebellion and sophistication. This book is a tribute to Demeulemeester's historical career, with over 1,000 photographs approximating some of the mystery and detailing associated with her brand.
