Attorney Joseph Antonelli dives into a case of White House intrigue, intimacies not forgotten, and suspicions dark and deep in this legal thriller in the Edgar Award-nominated series called "adroit and often elegant" (*Los Angeles Times*).

The novels of D. W. Buffa featuring attorney Joseph Antonelli have become some of the most avidly praised of the legal thrillers being written today, called "absorbing" (*Orlando Sentinel*), "suspense-laden" (*Houston Chronicle*), and "electrically charged" (*The New York Times*). The Judgment, the third in the series, was nominated for the Edgar Award for Best Novel of the Year.

In *Breach of Trust*, Antonelli is seduced into taking a case that has dangerous implications not only for the upcoming United States presidential race but also for a group of friends who thought they had put the sudden death of a young woman behind them long ago. When Antonelli attends a Harvard Law School reunion at Manhattan's Plaza Hotel, he doesn't suspect how disturbing his return will be-for it was at a party in this very hotel that a lively young woman fell from a window to her death. The event had been ruled an accident at the time, but the case is about to be reopened, and a possible witness is wary of its potential to ruin his political chances-a man with promise and ambition in equal measure, the vice president of the United States. When the trial begins, the nation's eyes turn to the accused, the downtrodden James Haviland, and to the unseen powers both within and without the White House who want to bury him. It's up to the shrewd and sharp Antonelli to uncover just where the secrets lie-and exactly who is playing whom.
