Remodelista: A Guide to the 100 Most Beautiful, Useful Household Objects: (A Remodelista Short)

Julie Carlson

Remodelista: A Guide to the 100 Most Beautiful, Useful Household Objects is an in-depth listing of the most recommended and timeless household objects, excerpted from Remodelista.

Remodelista.com is the go-to, undisputed authority for home design enthusiasts, remodelers, architects, and designers. Unlike sites that cater to all tastes, Remodelista has a singular and clearly defined aesthetic: classic pieces trump designs that are trendy and transient, and well-edited spaces take precedence over cluttered environments. High and low mix seamlessly here, and getting the look need not be expensive (think Design Within Reach meets Ikea). *Remodelista* decodes the secrets to achieving this aesthetic, with in-depth tours and lessons from 12 enviable homes; a recipe-like breakdown of the hardest-working kitchens and baths; dozens of do-it-yourself projects; “The Remodelista 100,” a guide to the best everyday household objects; and an in-depth look at the ins and outs of the remodeling process. In a world of design confusion, *Remodelista* takes the guesswork out of the process.
