That First Season: How Vince Lombardi Took the Worst Team in the NFL and Set It on the Path to Glory John Eisenberg

John Eisenberg's *That First Season* is the seldom-studied prequel to a phenomenal football career for Vince Lombardi and the Packers, drawing on exhaustive new research and interviews to tell an incredible ensemble tale of a team, a town, and their leader.

The once-vaunted Green Bay Packers were a laughing stock by the late 1950s. They hadn't fielded a winning team in more than a decade and were close to losing their franchise to another city. They were in desperate need of a savior, and he arrived in a wood-paneled station wagon in the dead of winter from New York City. In a single year, Vince Lombardi—the grizzled coach who took no bull—transformed a team of underachievers into winners and resurrected a city known for its passion for sport.
