Celebrate a full year's worth of everything Celtic, from the lives of the Celtic saints to annual festivals and traditional tales handed down through generations uncounted. The rich essence of Celtic spirituality is revealed through an illustrated treasury of traditional prayers, accompanied by suggested pilgrimages to Celtic shrines and historic sites throughout the British isles, one for each month of the year. The pilgrimages are described in vivid detail, with maps, walking directions and colorful descriptions of what you'll see along the route. And because not everyone can visit these sites in person, the journeys need not be undertaken in the physical sense, but rather they may be used as launching pads for your own spiritual journeys of discovery.
