A brief insight into how my belief and faith tie into how our lives work: Sometimes you don't always feel the love, and at times life might really suck for you. You might say something like, "Why God!?! Why!" in a public space or in the privacy of a public restroom. *And you might then take that angst out on other people—asshole—or yourself*. In that case, I don't know, make moves towards better days. Listen to some music, try getting out of your own head for a bit and rethink things. Turn the beat around. Like life, God is what you make Him to be. God is in you. Be good, You. It's all about what you believe. Believe in something good. *Makes reference to well-known persons such as Chelsea Handler, Oprah Winfrey, Michael Jackson, Eminem, Britney Spears, Selena Gomez, One Direction, Rev Run, Gavin DeGraw, Rihanna, Pink, Jason Mraz, Usher, and Many More.
